INFORMATION DISCLOSURE STATEMENTAssistant Commissioner for Patents
Washington, D.C. 20231

Sir:

In accordance with the duty of disclosure imposed by 37 C.F.R. § 1.56 to inform the Patent Office of all references coming to the attention of Applicants or attorneys for Applicants which may be material to the patentability of any claim of the instant application, attorneys for Applicants hereby direct the Examiner's attention to the references AA-EJ listed on the attached revised PTO Form-1449 entitled "List of References Cited by Applicant". Copies of references AA-EJ are enclosed herewith.

Identification of the listed references is not to be construed as an admission by Applicants or attorneys for Applicants that such references are available as "prior art" against the instant application. Further, Applicants believe that the invention claimed in the instant application is patentable over the cited references.

Applicants respectfully request that the Examiner review the listed references and that the references be made of record in the file history of the instant application.

As this Information Disclosure Statement is being filed before the believed mailing date of a first Office action on the merits, no fee is believed due, as provided under 37 C.F.R. § 1.97(b)(3). If a fee is required, please charge the required amount to Pennie & Edmonds LLP Deposit Account No. 16-1150. A copy of this document is enclosed.

Respectfully submitted,
